Incontestability

This *plan* is incontestable after two years from its date of issue, except for non-payment of premiums.

No statement in any application, except a fraudulent statement, made by a person insured under this *plan* shall be used in contesting the validity of his insurance or in denying a claim for a loss incurred, or for a disability which starts, after such insurance has been in force for two years during his lifetime.

If this *plan* replaces a plan your *employer* had with another insurer, we may rescind the *employer's plan* based on misrepresentations made by the *employer* or an *employee* in a signed application for up to two years from the effective date of this *plan*.

Examination and Autopsy

We have the right to have a *doctor* of our choice examine the person for whom a claim is being made under this *plan* as often as we feel necessary. And we have the right to have an autopsy performed in the case of death, where allowed by law. We'll pay for all such examinations and autopsies.

Accident and Health Claims Provisions

Your right to make a claim for any *accident and health* benefits provided by this *plan*, is governed as follows:

Notice You must send us written notice of an *injury* or *sickness* for which a claim is being made within 20 days of the date the *injury* occurs or the *sickness* starts. This notice should include your name and *plan* number.

Proof of Loss We'll furnish you with forms for filing proof of loss within 15 days of receipt of notice. But if we don't furnish the forms on time, we'll accept a written description and adequate documentation of the *injury* or *sickness* that is the basis of the claim as proof of loss. You must detail the nature and extent of the loss for which the claim is being made. You must send us written proof within 90 days of the loss.

If this plan provides weekly loss-of-time insurance, you must send us written proof of loss within 90 days of the end of each period for which we're liable. If this plan provides long term disability income insurance, you must send us written proof of loss within 90 days of the date we request it. For any other loss, you must send us written proof within 90 days of the loss.

Late Notice of Proof We won't void or reduce your claim if you can't send us notice and proof of loss within the required time. But you must send us notice and proof as soon as reasonably possible.

Payment of Benefits We'll pay benefits for loss of income once every 30 days for as long as we're liable, provided you submit periodic written proof of loss as stated above. We'll pay all other *accident and health* benefits to which you're entitled as soon as we receive written proof of loss.

We pay all *accident and health* benefits to you, if you're living. If you're not living, we have the right to pay all *accident and health* benefits, except dismemberment benefits, to one of the following: (a) your estate; (b) your spouse; (c) your parents; (d) your children; (e) your brothers and sisters; and (f) any unpaid provider of health care services. See "Your Accidental Death and Dismemberment Benefits" for how dismemberment benefits are paid.

When you file proof of loss, you may direct us, in writing, to pay health care benefits to the recognized provider of health care who provided the covered service for which benefits became payable. We may honor such direction at our option. But we can't tell you that a particular provider must provide such care. And you may not assign your right to take legal action under this *plan* to such provider.

Accident and Health Claims Provisions (Cont.)

Limitations of Actions You can't bring a legal action against this *plan* until 60 days from the date you file proof of loss. And you can't bring legal action against this *plan* after three years from the date you file proof of loss.

Employee Coverage

Eligible Employees To be eligible for employee coverage, you must be an active *full-time employee*. And you must belong to a class of *employees* covered by this *plan*.

Other Conditions You must:

- (a) be legally working in the United States, or working outside the United States for a United States based employer in a country or region approved by us.
- (b) be regularly working at least the number of hours in the normal work week set by your *employer* (but for specialty room server, bus person, host or cashier not less than 350 hours in the prior calendar quarter, all others 412 hours in the prior calendar quarter), at:
 - (i) your *employer's* place of business;
 - (ii) some place where your *employer's* business requires you to travel; or
 - (iii) any other place you and your *employer* have agreed upon for performance of occupational duties.

If you must pay all or part of the cost of employee coverage, we won't insure you until you enroll and agree to make the required payments. If you do this: (a) more than 31 days after you first become eligible; or (b) after you previously had coverage which ended because you failed to make a required payment, we also ask for *proof* that you're insurable. And you won't be covered until we approve that *proof* in writing.

Part or all of your insurance amounts may be subject to *proof* that you're insurable. The Life Schedule explains if and when we require *proof*. You won't be covered for any amount that requires such *proof* until you give the *proof* to us and we approve it in writing.

If your active *full-time* service ends before you meet any *proof of insurability* requirements that apply to you, you'll still have to meet those requirements if you're later re-employed.

CGP-3-EC-90-1.0

B264.2496-R

Family Status Change You may request an increase in your optional term life insurance amount, a decrease to your optional term life insurance amount, or the addition of voluntary term life for which you were not previously insured, if a change in family status has occurred. You must request the change to your optional term life insurance in writing within 31 days after the date of the family status change as described below.

Family status change will include one or more of the following: (1) marriage or divorce; (2) death of a spouse or child; (3) birth or adoption of a child; (4) your spouse's termination of employment or a change in your spouse's employment that results in the loss of group coverage. The term "marriage" may also refer to civil unions and domestic partnerships, as recognized by the jurisdiction in which you reside.

Proof of insurability is not required for the change to optional term life insurance due to family status change as long as the change to your optional term life insurance does not exceed the guarantee issue amount shown in the Schedule of Benefits. Proof of insurability will be required on changes that exceed the guarantee issue amount and if proof was previously submitted and declined.

When Your Coverage Starts

Employee benefits that don't require *proof* that you are insurable are scheduled to start on the effective date shown on the sticker attached to the inside front cover of this booklet.

Employee benefits that require such *proof* won't start until you send us the *proof* and we approve it in writing. Once we have approved it, the benefits are scheduled to start on the effective date shown in the endorsement section of your application. A copy of the approved application is furnished to you.

But you must be fully capable of performing the major duties of your regular occupation for your *employer* on a full-time basis at 12:01AM Standard Time for your place of residence on the scheduled effective date or dates. And you must have met all of the applicable conditions explained above, and any applicable waiting period. If you are not fully capable of performing the major duties of your regular occupation on any date part of your insurance is scheduled to start we will postpone that part of your coverage. We will postpone that part of your coverage until the date you are so capable and are working your regular number of hours for one full day, with the expectation that you could do so for one full week.

Sometimes, the effective date shown on the sticker or in the endorsement is not a regularly scheduled work day. If the scheduled effective date falls: on a holiday; on a vacation day; on a non-scheduled work day; or during an approved leave of absence, not due to sickness or injury, of 90 days or less; and if you were performing the major duties of your regular occupation and working your regular number of hours on your last regularly scheduled work day, your coverage will start on the scheduled effective date. However, any coverage or part of coverage for which you must elect and pay all or part of the cost, will not start if you are on an approved leave and such coverage or part of coverage was not previously in force for you under a prior plan which this *plan* replaced.

If you were previously covered under this *plan* and your coverage ended due to a temporary lay off or leave of absence, you will be eligible for insurance under this *plan* on the date you return to active *full-time* work, provided: (a) you return to active *full-time* service within 12 months of the date your coverage ended; (b) you were covered under this *plan* on the day before your coverage ended; and (c) you enroll for coverage within 31 days of the date you return to active *full-time* work.

Upon return to active *full-time* work, a new effective date will be established according to the actively at work rules above.

**Delayed Effective
Date For Employee
Optional Life
Coverage**

With respect to this *plan's* employee optional group term life insurance, if an *employee* is not actively at work on a *full-time* basis on the date his or her coverage is scheduled to start, due to *sickness* or *injury*, we'll postpone coverage for an otherwise covered loss due to that condition. We'll postpone such coverage until he or she completes 10 consecutive days of active *full-time* service without missing a work day due to the same condition.

Coverage for an otherwise covered loss due to all other conditions will start on the date the *employee* returns to active *full-time* service.

**When Your
Coverage Ends**

Your coverage ends on the date your active *full-time* service ends for any reason. Such reasons include disability, death, retirement, layoff, leave of absence and the end of employment.

It also ends on the date you stop being a member of a class of employees eligible for insurance under this *plan*, or when this *plan* ends for all employees. And it ends when this *plan* is changed so that benefits for the class of employees to which you belong ends.

It ends on the date you are no longer working in the United States unless you are on a temporary assignment: (1) not exceeding one year in a country or region that is not under a travel warning issued by the US Department of State; or (2) for which we have agreed, in writing, to provide coverage.

If you are required to pay all or part of the cost of this coverage and you fail to do so, your coverage ends. It ends on the last day of the period for which you made the required payments, unless coverage ends earlier for other reasons.

Read this booklet carefully if your coverage ends. You may have the right to continue certain group benefits for a limited time. And you may have the right to replace certain group benefits with converted policies.

An Employee's Right To Continue Group Life and AD&D Insurance During a Family Leave Of Absence

Important Notice This section may not apply to an *employer's* plan. You must contact your *employer* to find out if your *employer* must allow for a leave of absence under federal law. In that case the section applies.

Continuation of Coverages Life and accidental death and dismemberment coverages may be continued, under a uniform, non-discriminatory policy applicable to all employees. You must contact your *employer* to find out if you may continue these coverages.

If Your Group Insurance Would End Group life and accidental death and dismemberment insurance may normally end for an *employee* because he or she ceases work due to an approved leave of absence. But, the *employee* may continue his or her group coverage if the leave of absence has been granted: (a) to allow the *employee* to care for a seriously injured or ill spouse, child or parent; (b) after the birth or adoption of a child; (c) due to the *employee's* own serious health condition; or (d) because of any serious injury or illness arising out of the fact that a spouse, child, parent, or next of kin, who is a covered servicemember, of the *employee* is on active duty (or has been notified of an impending call or order to active duty) in the Armed Forces in support of a contingency operation. The *employee* will be required to pay the same share of the premium as he or she paid before the leave of absence.

When Continuation Ends Coverage may continue until the earliest of the following:

- The date you return to active work.
- In the case of a leave granted to you to care for a covered servicemember: The end of a total leave period of 26 weeks in one 12 month period. This 26 week total leave period applies to all leaves granted to you under this section for all reasons. If you take an additional leave of absence in a subsequent 12 month period, continued coverage will cease at the end of a total leave period of 12 weeks.

An Employee's Right To Continue Group Life and AD&D Insurance During a Family Leave Of Absence (Cont.)

- In any other case: The end of a total leave period of 12 weeks in any 12 month period.
- The date on which your *Employer's Plan* is terminated or you are no longer eligible for coverage under this *Plan*.
- The end of the period for which the premium has been paid.

Definitions As used in this section, the terms listed below have the meanings shown below:

- **Active Duty:** This term means duty under a call or order to active duty in the Armed Forces of the United States.
- **Contingency Operation:** This term means a military operation that: (a) is designated by the Secretary of Defense as an operation in which members of the armed forces are or may become involved in military actions, operations, or hostilities against an enemy of the United States or against an opposing military force; or (b) results in the call or order to, or retention on, active duty of members of the uniformed services under any provision of law during a war or during a national emergency declared by the President or Congress.
- **Covered Servicemember:** This term means a member of the Armed Forces, including a member of the National Guard or Reserves, who for a serious injury or illness: (a), is undergoing medical treatment, recuperation, or therapy; (b) is otherwise in outpatient status; or (c) is otherwise on the temporary disability retired list.
- **Next Of Kin:** This term means the nearest blood relative of the *employee*.
- **Outpatient Status:** This term means, with respect to a covered servicemember, that he or she is assigned to: (a) a military medical treatment facility as an outpatient; or (b) a unit established for the purpose of providing command and control of members of the Armed Forces receiving medical care as outpatients.
- **Serious Injury Or Illness:** This term means, in the case of a covered servicemember, an injury or illness incurred by him or her in line of duty on active duty in the Armed Forces that may render him or her medically unfit to perform the duties of his or her office, grade, rank, or rating.

Handicapped Children You may have an unmarried child who is: (a) incapable of self-sustaining employment by reason of a mental or physical handicap or developmental disability; and (b) chiefly dependent upon you for support and maintenance. In that case such a child may remain eligible for dependent benefits past the age limit subject to the conditions shown below.

- His or her condition started before he or she reached the age limit.
- He or she became covered by this Plan before he or she reached the age limit, and remained continuously covered until he or she reached the age limit.
- He or she stays unmarried and remains: (i) incapable of self-sustaining employment; and (ii) dependent upon you for most of his or her support and maintenance.
- You sent us written proof, and we approve such proof, of the child's disability and dependence within 31 days from the date he or she reaches the age limit. After the two year period following the child's attainment of the age limit, we can ask for periodic proof that the child's condition continues, but we cannot ask for this proof more than once a year.

The child's coverage ends when your coverage ends.

Proof Of Insurability We require *proof* that a dependent is insurable, if you: (a) enroll a dependent and agree to make the required payments after the end of the *enrollment period*; (b) in the case of a newly acquired dependent, other than the first newborn child, have other eligible dependents who you have not elected to enroll; or (c) in the case of a *newly acquired dependent*, have other *eligible dependents* whose coverage previously ended because you failed to make the required contributions, or otherwise chose to end such coverage.

A dependent is not insured by any part of this *plan* that requires such *proof* until you give us this *proof*, and we approve it in writing.

If the dependent coverage ends for any reason, including failure to make the required payments, your dependents won't be covered by this *plan* again until you give us new *proof* that they're insurable and we approve that *proof* in writing.

When Dependent Coverage Starts In order for your dependent coverage to begin you must already be insured for employee coverage, or enroll for employee and dependent coverage at the same time. Subject to the "Exception" stated below and to all of the terms of this *plan*, the date your dependent coverage starts depends on when you elect to enroll your *initial dependents* and agree to make any required payments.

If you do this on or before your *eligibility date*, the dependent's coverage is scheduled to start on the later of your *eligibility date* and the date you become insured for employee coverage.

If you do this within the *enrollment period*, the coverage is scheduled to start on the date you become insured for employee coverage.

If you do this after the *enrollment period* ends, your dependent coverage is subject to *proof of insurability* and won't start until we approve that *proof* in writing.

Once you have dependent coverage for your *initial dependents*, you must notify us when you acquire any new dependents and agree to make any additional payments required for their coverage.

A newly *acquired dependent* will be covered for those dependent benefits not subject to *proof of insurability* from the date the newly acquired dependent is first eligible, if you notify us and agree to make any additional payments within 31 days after the date the dependent becomes eligible. If you do this more than 31 days after the date the dependent becomes eligible, a *newly acquired dependent* will be covered from the date you notify us and agree to make any additional payments.

If *proof of insurability* is required for dependent benefits as explained above, those benefits are scheduled to start, subject to the "Exception" stated below, on the effective date shown in the "Endorsement" section of your application, provided that you send us the *proof* we require and we approve that *proof* in writing. When Dependent Coverage Ends Dependent coverage ends for all of your dependents when your employee coverage ends. Dependent coverage also ends for all of your dependents when you stop being a member of a class of *employees* eligible for such coverage. And it ends when this *plan* ends, or when dependent coverage is dropped from this *plan* for all *employees* or for an *employee's* class.

If you are required to pay part of the cost of dependent coverage, and you fail to do so, your dependent coverage ends. It ends on the last day of the period for which you made the required payments, unless coverage ends earlier for other reasons.

An individual dependent's coverage ends when he stops being an *eligible dependent*. This happens to a child at 12:01 a.m. on the date the child attains this *plan's* age limit, when he marries, or when a step-child is no longer dependent on the employee for support and maintenance. It happens to a spouse when a marriage ends in legal divorce or annulment, and with respect to optional life coverage, it happens at 12:01 a.m. on the date the spouse reaches age 70.

Read this plan carefully if dependent coverage ends for any reason. Dependents may have the right to continue certain group benefits for a limited time. And they may have the right to replace certain group benefits with converted policies.

Your Group Term Life Insurance

Basic Life Benefit If you die while insured for this benefit, we'll pay your beneficiary the amount shown in the schedule.

Proof of Death We'll pay this insurance as soon as we receive written proof of death. This should be sent to us as soon as possible.

Your Beneficiary You decide who gets this insurance if you die. You should have named your beneficiary on your enrollment form. You can change your beneficiary at any time by giving your *employer* written notice, unless you've assigned this insurance. But the change won't take effect until your *employer* gives you written confirmation of the change.

If you named more than one person, but didn't tell us what their shares should be, they'll share equally. If someone you named dies before you do, his share will be divided equally by the beneficiaries still alive, unless you've told us otherwise.

If there is no beneficiary when you die, we'll pay the insurance to one of the following: (a) your estate; (b) your spouse; (c) your parents; (d) your children; or (e) your brothers and sisters.

Assigning Your Life Insurance If you assign this insurance, you permanently transfer all your rights under this insurance to the assignee. Only one of the following can be an assignee: (a) your spouse; (b) one of your parents or grandparents; (c) one of your children or grandchildren; (d) one of your brothers or sisters; or (e) the trustee(s) of a trust set up for the benefit of one or more of these relatives.

We suggest you speak to your lawyer before you make any assignment. If you decide you want to assign this insurance, ask your *employer* for details or write to us.

Payment to a Minor or Incompetent If your beneficiary is a minor or incompetent, we have the option of paying this insurance in monthly installments. We would pay them to the person who cares for and supports your beneficiary.

Payment of Funeral or Last Illness Expenses We have the option of paying up to \$500.00 of this insurance to any person who incurs expenses for your funeral or last illness.

Settlement Option If you or your beneficiary ask us, we'll pay all or part of this insurance in installments. Any request must be made to us in writing. The amounts of the installments and how they would be paid depend on what we offer at the time the request is made.

Converting This Group Term Life Insurance

If Employment Or Eligibility Ends Your group life insurance ends if: (a) your employment ends; or (b) you stop being a member of an eligible class of employees. If either happens, you can convert your group life insurance to an individual life insurance policy. Conversion choices are based on your disability status.

If you are not disabled, as defined in the section labeled "Extended Life Benefit With Waiver of Premium", you can convert to a permanent life insurance policy. You can convert the amount for which you were covered under this plan, less any group life benefits you become eligible for in the 31 days after this insurance ends.

If you: (a) are disabled, as defined in the section labeled "Extended Life Benefit With Waiver of Premium"; and (b) have not yet been approved for the Extended Life Benefit, you can convert to: (a) a permanent life insurance policy; or (b) an interim term insurance policy, as explained in the section labeled "Interim Term Insurance". You can convert the full amount for which you were covered under this plan.

If you are later approved for the Extended Life Benefit, then the converted policy, if any, is cancelled as of our approval date.

If The Group Plan Ends Or Group Life Insurance Is Dropped Your group life insurance also ends if: (a) this group plan ends; or (b) life insurance is dropped from the group plan for all employees or for your class. If either happens, you may be eligible to convert as explained below. Conversion choices are based on your disability status.

If you: (a) are not disabled, as defined in the section labeled "Extended Life Benefit With Waiver of Premium", when this coverage ends; and (b) you have been insured by a Guardian group life plan for at least five years, you can convert to a permanent life insurance policy. But, the amount you can convert is limited to the lesser of: (a) \$2,000.00; or (b) the amount of your insurance under this plan, less any group life benefits you become eligible for in the 31 days after this insurance ends.

If you: (a) are disabled, as defined in the section labeled "Extended Life Benefit With Waiver of Premium"; and (b) have not yet been approved for the Extended Life Benefit, you can convert to: (a) a permanent life insurance policy; or (b) an interim term insurance policy. You can convert the full amount for which you were covered under this plan.

If you are later approved for the Extended Life Benefit, then the converted policy, if any, is cancelled as of our approval date.

The Converted Policy The premium for the converted policy will be based on your age on the converted policy's effective date. The converted policy will start at the end of the period allowed for conversion. The converted policy does not include disability or dismemberment benefits.

Converting This Group Term Life Insurance (Cont.)

Interim Term Insurance If you: (a) are disabled, as defined in the section labeled "Extended Life Benefit With Waiver of Premium" and (b) have not yet been approved for the Extended Life Benefit, you have the option to convert your coverage to an individual term life insurance policy. The individual term policy requires lower premiums than an individual permanent insurance policy.

This Interim term policy is available for only one year from the date you become disabled. During this year, if you are approved for the Extended Life Benefit, the interim term insurance is cancelled, as of our approval date. If, after one year, you have not been approved for the Extended Life Benefit, you must convert to an individual permanent life insurance policy, or coverage will end. Premiums for the individual permanent life insurance policy will be based on your age as of the date you convert from the interim term insurance policy.

How And When To Convert To get a converted policy, you must apply to us in writing and pay the required premium. You have 31 days after your group life insurance ends to do this. We won't ask for proof that you are insurable.

Death During The Conversion Period If you die in the 31 days allowed for conversion, we'll pay your beneficiary the amount you could have converted. We'll pay whether or not you applied for conversion.

If you are later approved for the Extended Life Benefit, then the converted policy, if any, is cancelled as of our approval date.

Converting This Group Term Life Insurance (Cont.)

If The Group Plan Ends Or Group Life Insurance Is Dropped Your group life insurance also ends if: (a) this group plan ends; or (b) life insurance is dropped from the group plan for all employees or for your class. If either happens, you may be eligible to convert as explained below. Conversion choices are based on your disability status.

If you: (a) are not disabled, as defined in the section labeled "Extended Life Benefit With Waiver of Premium", when this coverage ends; and (b) you have been insured by a Guardian group life plan for at least five years, you can convert to a permanent life insurance policy. But, the amount you can convert is limited to the lesser of: (a) \$2,000.00; or (b) the amount of your insurance under this plan, less any group life benefits you become eligible for in the 31 days after this insurance ends.

If you: (a) are disabled, as defined in the section labeled "Extended Life Benefit With Waiver of Premium"; and (b) have not yet been approved for the Extended Life Benefit, you can convert to: (a) a permanent life insurance policy; or (b) an interim term insurance policy. You can convert the full amount for which you were covered under this plan.

If you are later approved for the Extended Life Benefit, then the converted policy, if any, is cancelled as of our approval date.

The Converted Policy The premium for the converted policy will be based on your age on the converted policy's effective date. The converted policy will start at the end of the period allowed for conversion. The converted policy does not include disability or dismemberment benefits.

Interim Term Insurance If you: (a) are disabled, as defined in the section labeled "Extended Life Benefit With Waiver of Premium" and (b) have not yet been approved for the Extended Life Benefit, you have the option to convert your coverage to an individual term life insurance policy. The individual term policy requires lower premiums than an individual permanent insurance policy.

This Interim term policy is available for only one year from the date you become disabled. During this year, if you are approved for the Extended Life Benefit, the interim term insurance is cancelled, as of our approval date. If, after one year, you have not been approved for the Extended Life Benefit, you must convert to an individual permanent life insurance policy, or coverage will end. Premiums for the individual permanent life insurance policy will be based on your age as of the date you convert from the interim term insurance policy.

How And When To Convert To get a converted policy, you must apply to us in writing and pay the required premium. You have 31 days after your group life insurance ends to do this. We won't ask for proof that you are insurable.

Death During The Conversion Period If you die in the 31 days allowed for conversion, we'll pay your beneficiary the amount you could have converted. We'll pay whether or not you applied for conversion.

Your Accelerated Life Benefit

IMPORTANT NOTICE: USE OF THE BENEFIT PROVIDED BY THIS SECTION MAY HAVE TAX IMPLICATIONS AND MAY AFFECT GOVERNMENT BENEFITS OR CREDITORS. YOU SHOULD CONSULT WITH YOUR TAX OR FINANCIAL ADVISOR BEFORE APPLYING FOR THIS BENEFIT.

PLEASE NOTE: THE AMOUNT OF GROUP TERM LIFE INSURANCE IS PERMANENTLY REDUCED BY THE GROSS AMOUNT OF THE ACCELERATED LIFE BENEFIT PAID TO YOU.

Accelerated Life Benefit If you have a medical condition that is expected to result in your death within 6 months, you may apply for an Accelerated Life Benefit. An Accelerated Life Benefit is a payment of part of your group term life insurance made to you before you die.

We subtract the gross amount paid to you as an Accelerated Life Benefit from the amount of your group term life insurance under this plan. The remaining amount of your group term life insurance is permanently reduced by the gross amount paid to you.

By "group term life insurance" we mean any Employee Optional Group Term Life Insurance for which you are insured under this plan. "Group term life insurance" does not mean Accidental Death and Dismemberment Benefits, any insurance provided under this plan for covered persons other than you or any scheduled increase in the amount of any Employee Group Term Life Insurance that is due within the six month period after the date you apply for the Accelerated Life Benefit.

By "gross amount" we mean the amount of an Accelerated Life Benefit elected by you, before the discount and the processing fee are subtracted.

For the purposes of this provision, "terminal condition" means a medical condition that is expected to result in your death within 6 months.

You may use the Accelerated Life Benefit in any way you choose. But you may receive only one Accelerated Life Benefit during your lifetime. If you live longer than 6 months, or if you recover from the condition, the benefit does not have to be repaid. But the amount of this benefit is not restored to your remaining group term life insurance. And you may not receive another Accelerated Life Benefit if you have a relapse or develop another terminal condition.

Maximum Benefit Amount The amount of the Accelerated Life Benefit for which you may apply is based on the amount of group term life insurance for which you are insured on the day before you apply for the benefit. The minimum benefit amount is the lesser of: (a) \$10,000.00; or (b) 50% of the inforce amount. The maximum benefit amount is the lesser of: (a) \$250,000.00; or (b) 50% of the inforce amount.

Discount The amount for which you apply is discounted to the present value in six months from the date the benefit is paid, based on the maximum adjustable policy loan interest rate permitted in the state in which your employer is located.

Your Accelerated Life Benefit (Cont.)

A detailed statement of the method of computing the amount of the Accelerated Life Benefit is filed with each state insurance department. This statement is available from The Guardian upon request.

Processing Fee A fee of up to \$150.00 may also be required for the administrative cost of evaluating and processing your Accelerated Life Benefit. This fee is deducted from the amount of the Accelerated Life Benefit paid to you.

Payment of An Accelerated Life Benefit If we approve your application for an Accelerated Life Benefit, we pay the amount you have elected, less the discount and the processing fee. We pay the benefit to you in one lump sum. And what we pay is subject to all of the other terms of this plan.

How And When To Apply To receive the Accelerated Life Benefit, you must send us written proof from a licensed doctor who is operating within the scope of his or her license that your medical condition is expected to result in your death within 6 months of the date of the written medical proof. We must approve such proof in writing before the Accelerated Life Benefit will be paid.

We can have you examined by a doctor of our choice to verify the terminal condition. We'll pay the cost of such examination. We will not pay the Accelerated Life Benefit if our doctor does not verify the terminal condition.

If we approve you to receive an Accelerated Life Benefit, we give you a statement which shows: (a) the amount of the maximum Accelerated Life Benefit for which you are eligible; and (b) the amount by which your group term life insurance will be reduced if you elect to receive the maximum Accelerated Life Benefit; and (c) the amount of the processing fee.

Even if you are receiving an Extended Life Benefit under this plan, you can still apply for an Accelerated Life Benefit. However, once you convert your group term life insurance, the terms of the converted life policy will apply. Any amount to which you could otherwise convert is permanently reduced by the gross amount of the Accelerated Life Benefit paid to you.

Please read "Your Remaining Group Term Life Insurance" provision for restrictions that may apply.

If You Have Assigned Your Group Term Life Insurance If you have already assigned your group term life insurance, according to the terms of this plan, you can't apply for an Accelerated Life Benefit.

If You Are Incompetent If you are determined to be legally incompetent, the person the court appoints to handle your legal affairs may apply for the Accelerated Life Benefit for you.

Your Remaining Group Term Life Insurance The remaining amount of group term life insurance for which you are covered after receiving an Accelerated Life Benefit payment is subject to any increases or cutbacks that would otherwise apply to your insurance. Applicable cutbacks are applied to the amount of group term life insurance for which you are insured on the day before you apply for the Accelerated Life Benefit.

Your Accelerated Life Benefit (Cont.)

The premium cost of your remaining coverage is based on the amount of group term life insurance for which you are insured on the day before you apply for the Accelerated Life Benefit.

You may be required to provide proof of insurability for increased amounts. If you are, we must approve that proof in writing before you are covered for the new amount.

The total amount of group term life insurance your beneficiary would otherwise receive upon your death is reduced by the gross amount of the Accelerated Life Benefit paid to you.

If you die after electing the Accelerated Life Benefit, but before we send the benefit to you, your beneficiary will receive the amount of the group term life insurance for which you are insured on the day before you apply for the Accelerated Life Benefit.

Restrictions We will not pay an Accelerated Life Benefit to you if you:

- are required by law to use the payment to meet the claims of creditors, whether or not you are in bankruptcy; or
- are required by court order to pay all or part of the benefit to another person; or
- are required by a government agency to use the payment to apply for, to receive or to maintain a governmental benefit or entitlement; or
- lose your coverage under the group plan for any reason after you elect the Accelerated Life Benefit but before we pay such benefit to you.

Your Extended Life Benefit With Waiver Of Premium

Important Notice This section applies to your basic life benefit. But, it does not apply to your accidental death and dismemberment benefits; nor to any of your dependent's insurance under this group plan. In order to continue dependent basic life insurance, you must convert your dependent coverage. To convert dependent coverage you must choose an individual permanent policy.

If You Are Disabled You are disabled if you meet the definition of total disability, as stated below. If you meet the requirements in the "How and When to Apply" provision, we'll extend your basic life insurance under this section without payment of premiums from you or the employer.

Total Disability or Totally Disabled means, due to sickness or injury, you are:

- (a) not able to perform any work for wages or profit; and
- (b) you are receiving regular doctor's care appropriate to the cause of disability.

Your Extended Life Benefit With Waiver Of Premium (Cont.)

How And When To Apply To apply for this extension, you must submit satisfactory written medical proof of your total disability. You must provide this proof within one year of the onset of that disability. Any claim filed after one year from the onset of total disability will be denied. We will deny the claim unless we receive written proof that: (a) you lacked the legal capacity to file the claim; or (b) it was not reasonably possible for you to file the claim.

Also, in order to be eligible for this extension, you must:

- (a) become totally disabled before you reach age 60 and while insured by the group plan; and
- (b) remain totally disabled for nine continuous months.

You may apply for this benefit immediately upon the onset of disability.

Continued Eligibility For Extended Life Benefit We may require periodic written proof that you remain totally disabled to maintain this extension. This written proof of your: (a) continued disability; and (b) doctor's care must be provided to us within 30 days of the date we make each such request.

We can require that you take part in a medical assessment, with a medical specialist of our choice. During the first two years of this extension, we may require this as often as we feel is reasonably necessary. But after two years, we can't have you examined more than once a year.

Until You've Been Approved For This Extended Life Benefit Your life insurance under the group plan may end after you've become totally disabled, but before we've approved you for this extension. During this time period, you may either:

- (a) continue group premium payments, including any portion which would have been paid by the employer, until you are approved or declined for this extension; or
- (b) convert to an individual permanent or term policy. Please read the section labeled "Converting This Group Term Life Insurance" for details on how to convert.

However, you must convert if: (i) this group plan terminates; and (ii) you are totally disabled and eligible, but not yet approved, for this extended benefit. You must remain insured under such policy until you are approved by us for the extended benefit.

Converting does not stop you from claiming your rights under this section. But if you convert and we later approve you for this extended benefit, we'll cancel the converted policy as of our approval date. Once you are approved for this extended benefit, your group term life coverage will be reinstated. This will be done at no further cost to you or the employer.

When This Extension Begins Once approved by us, your extended benefit will be effective on the later of:

- (a) nine continuous months from the date active full-time service ends due to total disability; or
- (b) the date we approve you for this benefit.

Converting This Dependent Term Life Insurance

If Your Group Life Insurance Ends or You Stop Being Eligible Dependent term life insurance ends for all of your dependents when your group life insurance ends. Your insurance ends when: (a) your active full-time employment ends; (b) you stop being a member of a class of employees eligible for employee group life insurance; (c) your group life insurance is extended under the Extended Life Benefit provision; or (d) you die.

Dependent term life insurance also ends when you stop being a member of a class of employees eligible for dependent term life insurance.

If one of the above happens, each dependent who was insured may convert all or part of his or her insurance.

If This Plan Ends or Life Insurance is Dropped Dependent term life insurance also ends for all of your dependents when this plan ends. And it ends if either employee or dependent term life insurance is dropped from this plan for all employees or for your class.

Converting This Dependent Term Life Insurance (Cont.)

If one of the above happens, and your dependents have been insured by a Guardian group plan for at least five years, they can convert. But we limit the amount each dependent can convert to the lesser of: (a) \$2,000.00; and (b) the amount of his or her insurance under this plan less any group life benefits for which he or she becomes eligible in the 31 days after this insurance ends.

If a Dependent Stops Being Eligible A dependent's term life insurance ends when he or she stops being an eligible dependent as defined by this plan. If a dependent stops being eligible, that dependent can convert all or part of his or her insurance.

The Converted Policy The dependent can convert to one of the individual life insurance policies we normally issue. That policy can't include disability benefits. And it can't be a term policy.

The premium for the converted policy will be based on: (a) the dependent's risk and rate class under this plan; and (b) the dependent's age when the converted policy takes effect. The converted policy takes effect at the end of the period allowed for conversion.

Write to us for details.

How and When to Convert To get a converted policy, the dependent must apply to us in writing and pay the required premium. He or she has 31 days after his or her group insurance ends to do this. We won't ask for proof that he or she is insurable.

If the dependent is a minor or not competent, the person who cares for and supports the dependent may apply for him or her.

Death During the Conversion Period If a dependent dies in the 31 days allowed for conversion, we pay the amount he or she could have converted, as stated above. We do this whether or not he or she applied for conversion.

Notice of Conversion Right: If your dependent is entitled to obtain a converted policy under this section, full compliance with this provision for Notice of Conversion Right will be satisfied by written notice: (a) given to you by the employer; (b) mailed to you by the employer at your last known address; or (c) mailed to you by us at your last known address that is supplied to us by the employer.

The notice should be given at least 15 days before the end of the 31 day period allowed for conversion as described in "How and When to Convert." If the notice is not given at least 15 days before the end of such period, the dependent will have an additional period of 15 days from the date notice is given to apply for the converted policy and pay the required premium. But, in no event shall the additional period extend more than 60 days beyond the 31 day period allowed for conversion as described above.

SPOUSAL EDUCATION AND RETRAINING BENEFIT

If you suffer a specified loss due to an accidental bodily injury, we will pay a spousal education and retraining benefit subject to all the terms below.

When And How The Spousal Education And Retraining Benefit Begins

We will pay a spousal education and retraining benefit when all of the following conditions are met:

- (a) a benefit is payable under this plan's Employee Basic Accidental Death and Dismemberment with Catastrophic Loss (ADDCL) Benefit, due to a specified loss; and
- (b) on the date of the accidental injury which results in the specified loss, you and your spouse share the same place of residence;
- (c) we receive proof of the spouse's enrollment in an institute of higher learning. The spouse must: (i) be enrolled on the date of the accidental injury which results in the specified loss; or (ii) enroll within 12 months of this date.

Specified Loss means: (1) death; (2) a comatose state which lasts for a period in excess of one month; (3) spinal cord injury, resulting in: (a) quadriplegia; (b) paraplegia; or (c) hemiplegia; or (4) severe head injury resulting in loss of cognitive function. Loss of cognitive function means a significant decline or loss in intellectual aptitude. It must be supported by clinical proof or standardized tests that precisely measure decline in the areas of: (i) short term memory; (ii) orientation to time, place and person; (iii) deductive or abstract reasoning; and (iv) judgement as it relates to awareness of safety.

Institute of Higher Learning includes, but is not limited to: (a) universities; (b) colleges; (c) trade schools; and (d) professional schools. It does not include graduate level programs.

What We Pay

Subject to all the terms of this plan, the Spousal Education and Retraining Benefit per academic term is equal to the lesser of: (i) the spouse's net tuition expense for the term; (ii) 5% of the Employee Basic ADDCL Benefit paid as a result of the specified loss; and (iii) \$2,500.00.

Tuition Expense means charges incurred for courses or lab fees. It does not include: (a) cost of books; (b) other related course materials; (c) student activity fees; or (d) room and board.

Net Tuition Expense means tuition expense less any scholarships or grants to which the spouse is entitled.

Your Basic Accidental Death And Dismemberment With Catastrophic Loss Benefits (Cont.)

If this benefit is payable under both a Basic and a Voluntary ADDCL plan, the total spousal education benefit paid will not exceed the spouse's net tuition expense for the term.

We pay this benefit to the person who has primary responsibility for these expenses.

This benefit is paid per academic term. Benefit duration is based on whether the spouse is enrolled in a part-time or full-time course of study. See the Employee Basic Accidental Death and Dismemberment Insurance Schedule.

Continued Eligibility For The Spousal Education And Retraining Benefit We require periodic proof of the spouse's continued enrollment in an institute of higher learning. The spouse must maintain a grade point average of at least 2.0 on a 4.0 scale, or the equivalent. Employee Coverage

Eligible Employees To be eligible for employee coverage, you must be an active *full-time employee*. And you must belong to a class of *employees* covered by this *plan*.

Other Conditions You must:

- (a) be legally working in the United States, or working outside of the United States for a United States based employer in a country or region approved by us.
- (b) be regularly working at least the number of hours in the normal work week set by your *employer* (but for specialty room server, bus person, host or cashier not less than 350 hours in the prior calendar quarter, all others 412 hours in the prior calendar quarter), at:
 - (i) your *employer's* place of business;
 - (ii) some place where your *employer's* business requires you to travel; or
 - (iii) any other place you and your *employer* have agreed upon for performance of occupational duties.

If you must pay all or part of the cost of employee coverage, we won't insure you until you enroll and agree to make the required payments. If you do this: (a) more than 31 days after you first become eligible; or (b) after you previously had coverage which ended because you failed to make a required payment, we also ask for *proof* that you're insurable. And you won't be covered until we approve that *proof* in writing.

Part or all of your insurance amounts may be subject to *proof* that you're insurable. Other parts of this coverage explain if and when we require *proof*. You won't be covered for any amount that requires such *proof* until you give the *proof* to us and we approve it in writing.

If your active *full-time* service ends before you meet any *proof of insurability* requirements that apply to you, you'll still have to meet those requirements if you're later re-employed.

When Your Coverage Starts

Employee benefits that don't require proof that you are insurable are scheduled to start on the effective date shown on the sticker attached to the inside front cover of this booklet.

Employee benefits that require such proof won't start until you send us the proof and we approve it in writing. Once we have approved it, the benefits are scheduled to start on the effective date shown in the endorsement section of your application. A copy of the approved application is furnished to you.

But you must be fully capable of performing the major duties of your regular occupation for your *employer* on a full-time basis at 12:01AM Standard Time for your place of residence on the scheduled effective date or dates. And you must have met all of the applicable conditions explained above, and any applicable waiting period. If you are not fully capable of performing the major duties of your regular occupation on any date part of your insurance is scheduled to start we will postpone that part of your coverage. We will postpone that part of your coverage until the date you are so capable and are working your regular number of hours for one full day, with the expectation that you could do so for one full week.

Sometimes, the effective date shown on the sticker or in the endorsement is not a regularly scheduled work day. If the scheduled effective date falls: on a holiday; on a vacation day; on a non-scheduled work day; or during an approved leave of absence, not due to sickness or injury, of 90 days or less; and if you were performing the major duties of your regular occupation and working your regular number of hours on your last regularly scheduled work day, your coverage will start on the scheduled effective date. However, any coverage or part of coverage for which you must elect and pay all or part of the cost, will not start if you are on an approved leave and such coverage or part of coverage was not previously in force for you under a prior plan which this *plan* replaced.

If you were previously covered under this *plan* and your coverage ended due to a temporary lay off or leave of absence, you will be eligible for insurance under this *plan* on the date you return to active *full-time* work, provided: (a) you return to active *full-time* service within 12 months of the date your coverage ended; (b) you were covered under this *plan* on the day before your coverage ended; and (c) you enroll for coverage within 31 days of the date you return to active *full-time* work.

Upon return to active *full-time* work, a new effective date will be established according to the actively at work rules above. However, you will not be required to re-satisfy any portion of a pre-existing condition provision under this *plan* that you had met prior to termination of coverage.

Recurring Disability Benefits from this *plan* end if you cease to be *disabled*. But, a later *disability* may be treated as a *recurring disability*, if all of the terms listed below are met:

- (a) You must return to *active work* right after your benefits end;
- (b) The *disability* must recur less than two weeks after you were last entitled to benefits;
- (c) The later *disability* must be due to the same or related cause of your earlier *disability*;
- (d) This *plan* must not end during your return to *active work*;

Calculation of Weekly Benefit Your benefit is governed by the terms of the *plan* in effect on the date *disability* occurs. Any changes to this *plan* that take place: (a) while you are *disabled*; or (b) during a period of *active work* that occurs between an initial period of *disability* and a *recurring disability*; will not affect your benefit.

We calculate your *gross weekly benefit* according to the Schedule of Benefits.

From your *gross weekly benefit*, subtract the amount of any income listed in Other Income Benefits that you receive or are entitled to receive. The result is your *weekly benefit*.

Redetermination This *plan* redetermines *insured earnings* for each covered person on the date a change in a covered person's *insured earnings* occurs. The *plan sponsor* must report updates to all covered persons' *insured earnings* as they occur. Changes to a covered person's *insured earnings* are subject to any proof of insurability requirements of this *plan*. As of this *plan's* redetermination date, we use a covered person's *insured earnings* on record with us to: (a) set rates; (b) project benefit amounts and limits; and (c) calculate premium payable under this *plan*. However, the covered person must be *actively-at-work* on a full-time basis on that date. If he or she is not, we do not do this until the date he or she returns to *active work* on a full-time basis. But, changes in earnings will not apply to a *recurring disability*.

Other Income You may receive, or be entitled to receive, income shown in the list below.
Benefits We will reduce your gross weekly benefit by such other income benefits to determine your weekly benefit from this plan.

- Commissions or monies: (1) received; (2) payable but deferred; or (3) paid after disability benefits start. This includes: (a) vested and nonvested renewal commissions; (b) bonuses; (c) royalties; (d) profit sharing; and (e) other distributions.
- Disability benefits from any mandated benefit act or law. This includes all temporary disability or state disability benefits required by law.
- Disability benefits from all group plans of: (1) the plan sponsor; or (2) the employer. This includes payments made by a group life insurance plan due to your disability. This does not include payments made from a group life insurance plan's: (a) accelerated death benefit; or (b) like provision that allows payment of such plan's proceeds due to terminal illness.
- Disability benefits from any other group plan; but, if the other group plan was in force prior to this plan, and the other group plan also deducts for disability benefits from any other group plan, we will not deduct these other group disability benefits.

- Benefits as shown below from: (1) the United States Social Security Act; (2) the Railroad Retirement Act; or (3) any other like U.S. or Canadian plan or act.
 - (a) All disability benefits for which: (i) you are entitled; and (ii) your spouse and children are entitled due to your disability;
 - (b) All unreduced retirement benefits for which: (i) you are entitled; and (ii) your spouse and children are entitled due to your entitlement; and
 - (c) All reduced retirement benefits paid to: (i) you; and (ii) your spouse and children due to your receipt of such benefits.

We do not reduce your gross weekly benefit by the retirement benefits described in (b) and (c) above, to the extent that you and your dependents were entitled to receive such income prior to the start of disability. We will reduce the gross weekly benefit by marginal increases in such income you and your dependents were entitled to receive after disability begins.

We will reduce your gross weekly benefit by benefits referred to in (a), (b) and (c) above, net of attorney fees approved by the Social Security Administration.

We will reduce your gross weekly benefit by benefits referred to in (a), (b) and (c) above to which your spouse and children are entitled due to your receipt of, or entitlement for, disability benefits. We do this without regard to: (a) your marital status; (b) where you live; (c) where your spouse lives; (d) where your child lives; or (e) any custody arrangements made on behalf of your child.

- Income of the type that is included in your insured earnings for purposes of determining your gross weekly benefit under this plan.
- That portion of retirement plan retirement benefits which the employer funds.
- That portion of retirement plan disability benefits which the employer funds.
- Retirement benefits or retirement plan disability benefits, due to your *disability*, from any *government plan* other than those shown above.
- Payment or settlement, with or without admission of liability, from: (1) a Workers' Compensation law; (2) an occupational disease law; or (3) any other act or law of like intent. This includes: (a) the Jones' Act; (b) the Longshoreman's and Harbor Workers' Compensation Act; or (c) any Maritime doctrine of Maintenance, Wages or Cure. If you receive a payment net of attorney fees approved by the Workers' Compensation Board or similar authority, we reduce our benefit by the net payment.
- Disability benefits from any third party when your *disability* is the result of the negligence or intentional tort liability of that third party.
- Unemployment compensation benefits.

- Payment from your *employer* as part of a termination or severance agreement.

We integrate your *gross weekly benefit* with income shown above that you are entitled to receive without regard to the reason you are entitled to receive it.

Our right to reduce your benefit by such income shall not be negated by a transfer of claim liability to a third party. Payment by such third party by law, settlement, judgment, waiver or otherwise shall not negate our right.

CGP-3-STD07-4.2

Other Income Not Subject to Deduction We will not reduce your *gross weekly benefit* by any income you receive or are entitled to receive from the list below.

- Deferred compensation arrangements such as 401(k), 403(b) or 457 plans;
- Profit sharing plans;
- Thrift plans;
- Tax sheltered annuities;
- Stock ownership plans;
- Individual Retirement Accounts (IRA);
- Individual disability income plans;
- Credit disability insurance;
- Non qualified plans of deferred compensation;
- Pension plans for partners;
- Retirement plans of another employer not affiliated with this *plan*;
- Military pension and disability plans;
- Income from a sick leave, salary continuance, or Paid Time Off plan.

Lump Sum Payments of Other Income Income with which we integrate may be paid in a lump sum. In this case, we take the equivalent weekly rate stated in the award into account when we determine your *weekly benefit*. If no weekly rate is given, we divide the lump sum payment by the number of calendar days in the period for which it was awarded. This will determine the daily rate. Then, multiply the daily rate by seven. The result is the prorated weekly rate.

Cost of Living Freeze You may receive a cost of living increase in other income with which we integrate. In this case, we do not further reduce your *weekly benefit* by the amount of such increase.

Application for Other Income You must apply for other income benefits to which you may be entitled. If these benefits are denied, you must appeal until: (a) all possible appeals have been made; or (b) we notify you that no further appeals are required.

If we feel you are entitled to receive such income benefits, we will estimate the amount due to you and your spouse and children. We will take this estimated amount into account when we determine your *weekly benefit*. But, we will not take this estimated amount into account if you sign our reimbursement agreement. In this agreement you promise: (a) to apply for any benefits for which you may be eligible; (b) to appeal any denial of such benefits until all possible appeals have been made; and (c) to repay any amount we overpaid due to an award of such benefits.

If we do reduce your *gross weekly benefit* by an estimated amount, we will adjust your *weekly benefit* when we receive written proof: (a) of the amount awarded; or (b) that the other income benefits have been denied; and no further appeals are possible. If we underpaid you, we pay the full amount of the underpayment in a lump sum.

We will assist you in applying for other income benefits.

Adjustment of Weekly Benefit for Disability Earnings

We adjust the *weekly benefit for disability earnings* as follows.

We pay the greater of the amount calculated under Method 1 or Method 2.

Method 1:

We reduce Your Weekly Benefit by 50% of Your Disability Earnings.

Method 2:

- (a) Subtract Your Disability Earnings from Your Insured Earnings.
- (b) Divide the result in (a) above by Your Insured Earnings.
- (c) Multiply the result in (b) above by Your Weekly Benefit. This is the amount We pay.
- (a) If the sum of your *gross weekly benefit* and your *disability earnings* is not more than 100% of your *insured earnings*, we do not reduce your *weekly benefit*.
- (b) If the sum of your *gross weekly benefit* and your *disability earnings* is more than 100% of your *insured earnings*, we reduce your *weekly benefit* by the amount over 100% of your *insured earnings*.

If your *disability earnings* fluctuate widely from week to week, we may adjust your *weekly benefit* using an average *disability earnings* amount. The average *disability earnings* amount will be computed using your most current week's *disability earnings* and the prior two weeks *disability earnings*.

Insured Earnings: Only a covered person's earnings from the *employer* will be included as *insured earnings*.

We calculate benefit amounts and limits based on the amount of the covered person's *insured earnings* as of the Redetermination date immediately prior to the start of his or her *disability*. See the "Redetermination" section of this *plan*.

For Partners and S Corporation Shareholders:

Insured earnings means the sum of the amounts listed below, divided by 52.

- (a) His or her compensation as an employee or S Corporation shareholder, as reported on his or her Federal Income Tax Return, Form 1040, for the prior calendar year, less the gross total of unadjusted employee business expenses as included on the corresponding Schedule A-Itemized Deductions;
- (b) His or her non-passive income (loss) from trade or business as reported on Schedule E-Part II of his or her Federal Income Tax Return, Form 1040, for the prior calendar year, less any expenses incurred and reported elsewhere on his or her Return; and

 - (b) elective employee pre-tax deferrals to a Section 125 plan or flexible spending account.

The covered person may not have been a partner or S Corporation shareholder for the entire previous calendar year. In this case, the covered person's earnings are based on the weekly average of the sum of the listed amounts, averaged for the full number of weeks that he or she was a partner or an S Corporation shareholder during such calendar year.

For Sole Proprietors:

Insured earnings means: (a) the average weekly net profit as determined from Schedule C - Part II of the covered person's Federal Income Tax Return, Form 1040, for the prior calendar year; plus (b) the covered person's average weekly contribution during the prior calendar year deposited into a: (i) cash or deferred compensation plan, or salary reduction plan, qualified under IRC Section: 401(k); 403(b); 457; or similar plan; and (ii) a Section 125 plan or flexible spending account. Weekly net profit is calculated as gross income less total expenses. The covered person may not have been a sole proprietor for the previous calendar year. In this case, we calculate average weekly net profit and average weekly contributions using the full number of weeks that he or she was a sole proprietor during such calendar year.

For Covered Persons Who Are Compensated on Less Than a 12 Month Basis:

Insured earnings means the covered person's average rate of weekly earnings determined from his or her annual contract salary. *Insured earnings* also includes the covered person's contributions deposited into a: (a) cash or deferred compensation plan, or salary reduction plan, qualified under IRC Section: 401(k); 403(b); 457; or similar plan; and (b) elective employee pre-tax deferrals to a Section 125 plan or flexible spending account. *Insured earnings* does not include bonuses, commissions, overtime pay, expense accounts, stock options and any other extra compensation. We do not include pay for hours worked or billed over 40 per week. Earnings based on excluded income and *employer* contributions deposited into such 401(k); 403(b); 457; or similar plan are excluded.

For Covered Persons Whose Income Is Reported on a IRS Form 1099:

Insured earnings means the covered person's average rate of weekly earnings as figured from the 1099 form received from the *employer* for the prior calendar year, calculated as (a) minus (b), divided by 52 or the number of weeks the covered person worked for the *employer* during such calendar year, if less than 52.

- (a) his or her earned income as reported on the 1099 form.
- (b) business expenses, as reported on Schedule C - Part II of his or her Federal Income Tax Return, Form 1040.

Insured earnings also includes the covered person's contributions deposited into a: (a) cash or deferred compensation plan, or salary reduction plan, qualified under IRC Section: 401(k); 403(b); 457; or similar plan; and (b) elective employee pre-tax deferrals to a Section 125 plan or flexible spending account.

Earnings based on excluded income and *employer* contributions deposited into such 401(k); 403(b); 457; or similar plan are excluded.

For All Other Covered Persons:

Insured earnings means a covered person's base weekly salary. *Insured earnings* also includes tips reported on W2, the covered person's contributions deposited into a: (a) cash or deferred compensation plan, or salary reduction plan, qualified under IRC Section: 401(k); 403(b); 457; or similar plan; and (b) elective employee pre-tax deferrals to a Section 125 plan or flexible spending account. *Insured earnings* does not include bonuses, commissions, overtime pay, expense accounts, stock options and any other extra compensation. Redetermination: This *plan* redetermines *insured earnings* for each covered person on the date a change in a covered person's *insured earnings* occurs.

The *plan sponsor* must report updates to all covered persons' *insured earnings*. Changes to a covered person's *insured earnings* are subject to any proof of insurability requirements of this *plan*. As of this *plan's* redetermination date, we use a covered person's *insured earnings* on record with us to: (a) set rates; (b) project benefit amounts and limits; and (c) calculate premium payable under this *plan*. However, the covered person must be *actively-at-work* on a full-time basis on that date. If you are not, we do not do this until the date you return to *active work* on a full-time basis. This applies whether such plan is sponsored on a formal or informal basis. This includes donated, lump sum and recurrent payments of accrued sick leave benefits. But, if you are working while *disabled*, we will account for such income as described in this *plan's* "Adjustment of Monthly Benefit for Disability Earnings".

We do not reduce your *gross monthly benefit* by the retirement benefits described in (b) and (c) above, to the extent that you and your dependents were entitled to receive such income prior to the start of *disability*. We will reduce the *gross monthly benefit* by marginal increases in such income you and your dependents were entitled to receive after *disability* begins.

We will reduce your *gross monthly benefit* by benefits referred to in (a), (b) and (c) above, net of attorney fees approved by the Social Security Administration.

We will reduce your *gross monthly benefit* by benefits referred to in (a), (b) and (c) above to which your spouse and children are entitled due to your receipt of, or entitlement for, disability benefits. - Disability benefits from any third party when your *disability* is the result of the negligence or intentional tort liability of that third party.

- Payment from your *employer* as part of a termination or severance agreement.

We integrate your *gross monthly benefit* with income shown above that you are entitled to receive without regard to the reason you are entitled to receive it.

Adjustment of Monthly Benefit for Disability Earnings:

We adjust the *monthly benefit* for *disability earnings* as follows.

For each of the first 12 months of payments, following the date you first have *disability earnings*, add your *gross monthly benefit* and your *disability earnings*.

- (a) If the sum is not more than 100% of your indexed *insured earnings*, we do not reduce your *monthly benefit*.
- (b) If the sum is more than 100% of your indexed *insured earnings*, we reduce your *monthly benefit* by the amount over 100% of your indexed *insured earnings*.

For each month thereafter, we pay the greater of the amount calculated under Method 1 or Method 2.

Method 1:

- (a) If your *disability earnings* are less than 20% of your indexed *insured earnings*, we do not reduce your *monthly benefit*.
- (b) If your *disability earnings* are 20% or more of your indexed *insured earnings*, we reduce your *monthly benefit* by 50% of your *disability earnings*.

Method 2:

- (a) Subtract your *disability earnings* From your indexed *insured earnings*.
- (b) Divide the result in (a) above by your indexed *insured earnings*.
- (c) Multiply the result in (b) above by your *monthly benefit*. This is the amount we pay.

If your *disability earnings* fluctuate widely from month to month, we may adjust your *monthly benefit* using an average *disability earnings* amount. The average *disability earnings* amount will be computed using your most current month's *disability earnings* and the prior two months *disability earnings*.

Maximum Allowable Disability Earnings: This *plan* limits the amount of income you may earn, or may be able to earn, and still be considered *disabled*.

If your *disability earnings* are more than the limit shown below, payments from this *plan* will end. Payments from this *plan* will also end if you are able to earn more than the limit shown below:

- (a) During the *elimination period* and the *own occupation* period, the limit is 80% of your indexed *insured earnings*.
- (b) After this *plan* has paid benefits for 24 months in a row, the limit is 60% of your indexed *insured earnings*.

Indexing: We apply an indexing factor to your *insured earnings* on the date you have received 12 consecutive monthly payments and each anniversary thereafter. This factor increases the amount of income you may earn and still be considered *disabled*. This adjustment does not increase your *gross monthly benefit*, *monthly benefit*, or any other benefit under this *plan*.

To make the first adjustment, we multiply your *insured earnings* by the indexing factor for that year. To make adjustments in each later year, we multiply the amount of your last indexed *insured earnings* by the indexing factor for the current year.

The indexing factor is the lesser of: (a) 10%; or (b) one-half of the *CPI-W* from the prior December.

Minimum Payment: The minimum monthly payment for *disability* under this *plan* is \$100.00.

Prior Coverage Credit: If this *plan* replaces a similar income replacement plan the *plan sponsor* had with another insurer, the pre-existing condition provision may not apply to you. This *plan* must start within 63 days after the old plan ends.

The pre-existing condition provision will be waived for any covered person who: (a) is *actively working* on the effective date of this *plan*; and (b) fulfilled the requirements of any pre-existing condition provision of the old plan.

If you: (a) were covered under the old plan when it ended; (b) enroll for insurance under this *plan* on or before this *plan's* effective date; and (c) are *actively working* on the effective date of this *plan*; but (d) have not fulfilled the requirements of any pre-existing condition provision of the old plan; we credit any time used to meet the old plan's pre-existing condition provision toward meeting this *plan's* pre-existing condition provision.

But, we limit your *maximum monthly benefit* under this *plan* if: (a) it is more than the maximum monthly benefit for which you were insured under the old plan; (b) you become *disabled* due to a pre-existing condition; and (c) this *plan* pays benefits for such *disability* because we credit time as explained above. In this case, we limit the *maximum monthly benefit* to the amount you would have been entitled to under the old plan.

We deduct all payments made by the old plan under an extension provision.

Services

Social Security Assistance: This *plan* requires all *disabled* covered persons to apply for Social Security benefits. (See the "Application for Other Income" section of this *plan*.) If we believe you to be eligible for such benefits, we may offer to assist you in applying for them. Receiving Social Security benefits will protect your earnings record for retirement and enable you to qualify for Medicare coverage after 24 months.

Services we can provide include:

- (a) Help in completing your application for such benefits, and any related forms;
- (b) Assistance finding suitable legal counsel; and
- (c) Copies of medical and vocational data needed to file your claim.

We may also provide these and other services if your benefits are under review for possible termination by the Social Security Administration.

You must apply for all income benefits for which you may be eligible, whether or not you use our help. Using our help does not cancel your duties shown in the "Application for Other Income" section of this *plan*.

Rehabilitation and Case Management:

We will review your *disability* to see if certain services are likely to help you return to *gainful work*. If needed, we may ask for more medical or vocational information.

When our review is complete, we may offer you a *rehabilitation program*. We have the right to suspend or end your *monthly benefit* if you do not accept it.

The *rehabilitation program* will start when a written *rehabilitation agreement* is signed by: (1) you; (2) us; and (3) your *employer*, if needed. The program may include, but is not limited to:

- (a) vocational assessment of your work potential;
- (b) coordination and transition planning with an employer for your return to work;

We have the right to determine which services are appropriate.

If you accept the *rehabilitation agreement*, we will pay an enhanced benefit. The enhanced benefit will be 110% of the *monthly benefit* that would otherwise be paid. This enhanced benefit will be payable as of the first *monthly benefit* after the *rehabilitation program* starts.

We stop paying the enhanced benefit on the earliest of:

- (a) The date your benefit from this *plan* end;
- (b) The date you violate the terms of the *rehabilitation agreement*;
- (c) The date you end the *rehabilitation program*; and
- (d) The date the *rehabilitation agreement* ends.

Dependent Care Expenses: While you are participating in a *rehabilitation program*, we will pay a dependent care expense benefit, when all of the following conditions are met:

- (a) you incur expense to provide care for a qualified dependent;
- (b) the care is provided by a licensed provider other than a family member.

A qualified dependent is: (a) dependent upon you for main support and maintenance; and (b) under the age of fourteen and your: (i) biological child; (ii) lawfully adopted child; (iii) stepchild; or (iv) any other child who is living with you in a regular parent-child relationship; or (c) a family member age 14 or over who is physically or mentally incapable of caring for him or herself.

The dependent care expense benefit will be the lesser of: (a) \$350 per month per qualified dependent; not to exceed \$1,000 per month for all qualified dependents combined; and (b) the actual monthly day care expense incurred by you.

In step two we make a current earnings adjustment. We add: (a) your *gross monthly benefit* as of the last month you were disabled under the terms of this *plan*; and (b) your current *disability earnings*. If such sum exceeds 100% of your insured earnings, we pay the amount in step one less the excess over 100%. If such sum does not exceed 100%, we pay the amount in step one.

Insured Earnings Only your earnings from the *employer* will be included as *insured earnings*.

We calculate benefit amounts and limits based on the amount of your *insured earnings* as of the Redetermination date immediately prior to the start of your *disability*. See the "Redetermination" section of this *plan*.

For Partners and S Corporation Shareholders:

Insured earnings means the sum of the amounts listed below, divided by 12.

- (a) Your compensation as an employee or S Corporation shareholder, as reported on your Federal Income Tax Return, Form 1040, for the prior calendar year, less the gross total of unadjusted employee business expenses as included on the corresponding Schedule A-Itemized Deductions;
- (b) Your non-passive income (loss) from trade or business as reported on Schedule E-Part II of your Federal Income Tax Return, Form 1040, for the prior calendar year, less any expenses incurred and reported elsewhere on your Return; and
- (c) Your contributions during the prior calendar year, deposited into a: (a) cash or deferred compensation plan, or salary reduction plan, qualified under IRC Section: 401(k); 403(b); 457; or similar plan; and (b) elective employee pre-tax deferrals to a Section 125 plan or flexible spending account.

You may not have been a partner or S Corporation shareholder for the entire previous calendar year. In this case, your earnings are based on the monthly average of the sum of the listed amounts, averaged for the full number of months that you were a partner or an S Corporation shareholder during such calendar year.

For Sole Proprietors:

Insured earnings means: (a) the average monthly net profit as determined from Schedule C - Part II of your Federal Income Tax Returns, Form 1040, for the prior calendar year; plus (b) your average monthly contribution during the prior calendar year deposited into a: (i) cash or deferred compensation plan, or salary reduction plan, qualified under IRC Section: 401(k); 403(b); 457; or similar plan; and (ii) a Section 125 plan or flexible spending account. Monthly net profit is calculated as gross income less total expenses. You may not have been a sole proprietor for the previous calendar year. In this case, we calculate average monthly net profit and average monthly contributions using the full number of months that you were a sole proprietor during such calendar year.

For Covered Persons Who Are Compensated on Less Than a 12 Month Basis:

Insured earnings means your average rate of monthly earnings determined from your annual contract salary. Insured earnings also includes your contributions deposited into a: (a) cash or deferred compensation plan, or salary reduction plan, qualified under IRC Section: 401(k); 403(b); 457; or similar plan; and (b) elective employee pre-tax deferrals to a Section 125 plan or flexible spending account. Insured earnings does not include bonuses, commissions, overtime pay, expense accounts, stock options and any other extra compensation. We do not include pay for hours worked or billed over 40 per week. Earnings based on excluded income and employer contributions deposited into such 401(k); 403(b); 457; or similar plan are excluded.

For Covered Persons Whose Income Is Reported on a IRS Form 1099:

Insured earnings means your average rate of monthly earnings as figured from the 1099 form received from the employer for the prior calendar year, calculated as (a) minus (b), divided by 12 or the number of months you worked for the employer during such calendar year, if less than 12.

- (a) your earned income as reported on the 1099 form.
- (b) business expenses, as reported on Schedule C - Part II of your Federal Income Tax Return, Form 1040. Insured earnings also includes your contributions deposited into a: (a) cash or deferred compensation plan, or salary reduction plan, qualified under IRC Section: 401(k); 403(b); 457; or similar plan; and (b) elective employee pre-tax deferrals to a Section 125 plan or flexible spending account.

Earnings based on excluded income and employer contributions deposited into such 401(k); 403(b); 457; or similar plan are excluded.

For All Other Covered Persons:

Insured earnings means your base monthly salary. Insured earnings also includes tips reported on W2, your contributions deposited into a: (a) cash or deferred compensation plan, or salary reduction plan, qualified under IRC Section: 401(k); 403(b); 457; or similar plan; and (b) elective employee pre-tax deferrals to a Section 125 plan or flexible spending account. Insured earnings does not include bonuses, commissions, overtime pay, expense accounts, stock options and any other extra compensation. STATEMENT OF ERISA RIGHTS

As a participant, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

- (a) Examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U. S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- (b) Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts, collective bargaining agreements and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- (c) Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions By Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate the plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Statement of Erisa Rights (Cont.)

Enforcement Of Your Rights If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a state or Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110.00 a day until you receive the material, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a federal court. If it should happen that plan fiduciaries misuse the plan's money or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds that your claim is frivolous.

Assistance with Questions If you have questions about the plan, you should contact the plan administrator. If you have questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor listed in your telephone directory or the Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

Disability Benefits Claims Procedure

If you seek benefits under the plan you should complete, execute and submit a claim form. Claim forms and instructions for filing claims may be obtained from the Plan Administrator.

Guardian is the Claims Fiduciary with discretionary authority to determine eligibility for benefits and to construe the terms of the *plan* with respect to claims. Guardian has the right to secure independent professional healthcare advice and to require such other evidence as needed to decide your claim.

In addition to the basic claim procedure explained in your certificate, Guardian will also observe the procedures listed below. These procedures are the minimum requirements for benefit claims procedures of employee benefit plans covered by Title 1 of the Employee Retirement Income Security Act of 1974 ("ERISA")

Definitions "Adverse determination" means any denial, reduction or termination of a benefit or failure to provide or make payment (in whole or in part) for a benefit.

Timing For Initial Benefit Determination The benefit determination period begins when a claim is received. Guardian will make a benefit determination and notify a claimant within a reasonable period of time, but not later than the maximum time period shown below. A written or electronic notification of any adverse benefit determination must be provided.

Guardian will provide a benefit determination not later than 45 days from the date of receipt of a claim. This period may be extended by up to 30 days if Guardian determines that an extension is necessary due to matters beyond the control of the plan, and so notifies the claimant before the end of the initial 45-day period. Such notification will include the reason for the extension and a date by which the determination will be made. If prior to the end of the 30-day period Guardian determines that an additional extension is necessary due to matters beyond the control of the plan, and so notifies the claimant, the time period for making a benefit determination may be extended for up to an additional period of up to 30 days. Such notification will include the special circumstances requiring the extension and a date by which the final determination will be made.

A notification of an extension to the time period in which a benefit determination will be made will include an explanation of the standards upon which entitlement to a benefit is based, any unresolved issues that prevent a decision of the claim, and the additional information needed to resolve those issues.

If a claimant fails to provide all information needed to make a benefit determination, Guardian will notify the claimant of the specific information that is needed as soon as possible but no later than 45 days after receipt of the claim.

Disability Benefits Claims Procedure (Cont.)

If Guardian extends the time period for making a benefit determination due to a claimant's failure to submit information necessary to decide the claim, the claimant will be given at least 45 days to provide the requested information. The extension period will begin on the date on which the claimant responds to the request for additional information.

Adverse Benefit Determination

If a claim is denied, Guardian will provide a notice that will set forth:

- the specific reason(s) for the adverse determination;
- references to the specific *plan* provision on which the determination is based;
- a description of any additional material or information necessary to make the claim valid and an explanation of why such material or information is needed;
- a description of the plan's claim review procedures which a claimant may follow to have a claim for benefits reviewed and the time limits applicable to such procedures, including a statement indicating that the claimant has the right to bring a civil action under ERISA Section 502(a) following an adverse benefit;
- identification and description of any specific internal rule, guideline or protocol that was relied upon in making an adverse benefit determination, or a statement that a copy of such information will be provided to the claimant free of charge upon request; and
- in the case of an adverse benefit determination based on medical necessity or experimental treatment, notice will either include an explanation of the scientific or clinical basis for the determination, or a statement that such explanation will be provided free of charge upon request.

Appeal of Adverse Benefit Determinations

If a claim is wholly or partially denied, the claimant will have up to 180 days to make an appeal.

Guardian will conduct a full and fair review of an appeal which includes providing to claimants the following:

- the opportunity to submit written comments, documents, records and other information relating to the claim;
- the opportunity, upon request and free of charge, for reasonable access to, and copies of, all documents, records and other information relating to the claim; and
- a review that takes into account all comments, documents, records and other information submitted by the claimant relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

In reviewing an appeal, Guardian will

- provide for a review conducted by a named fiduciary who is neither the person who made the initial adverse determination nor that person's subordinate;

Disability Benefits Claims Procedure (Cont.)

- in deciding an appeal based upon a medical judgment, consult with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment;
- identify medical or vocational experts whose advice was obtained in connection with an adverse benefit determination; and
- ensure that a health care professional engaged for consultation regarding an appeal based upon a medical judgment shall be neither the person who was consulted in connection with the adverse benefit determination, nor that person's subordinate.

Guardian will notify the claimant of its decision not later than 45 days after receipt of the request for review of the adverse determination. This period may be extended by an additional period of up to 45 days if Guardian determines that special circumstances require an extension of the time period for processing and so notifies the claimant before the end of the initial 45-day period.

A notification with respect to an extension will indicate the special circumstances requiring an extension of the time period for review, and the date by which the final determination will be made.

Alternative Dispute Options The claimant and the plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact the local U.S Department of Labor Office and the State insurance regulatory agency.
